Title List Changes/Modifications Qtr. 1 2011

The number of ExitCare documents has increased by 43 new English titles (including 25 new Easy-to-Read titles), 8 new Spanish titles and 17 new Vietnamese titles this Quarter. We will continue to add titles to all of our languages. Based on our extensive editorial review guidelines, our documents continue to be reviewed by physicians who are specialists in their fields, by Medical Risk Management experts, and by experts in technical writing to make our documents as medically complete and as easily understood as possible. The end result of this review process are documents listed below which reflect a variety of revisions that were undertaken. This process is ongoing and will continue throughout each quarterly release.
